PROFILE

I am a dedicated traditional and digital artist driven to experiment with different artistic mediums. I want to bring the feeling of a lifelong passion for creativity and expression to others. I also have started experience in illustration for the book 'Casey Story's Journey Begins' by Allyson Weaver. Being very motivated by the opportunity to paint and design art pieces to blend with the environment that surrounds it is something I hope to achieve as well.

EMPLOYMENT HISTORY

Assistant Artist, Painting with a Twist, Cedar Hill

MAY 2022 – PRESENT

I have developed a feel for what goes into what goes into running a business that involves art. Keeping track of canvases, paint refills, art organization per month, and organizing classes to allow others to express their artistic decisions all go into a job such as that. Being effective in keeping classes of people who have never painted before satisfied while assisting the art teacher is also a necessity.

EDUCATION

BA, University of North Texas, Denton

AUGUST 2020 – PRESENT

Currently enrolled with a GPA of 3.66
